ashkurti@robbinsdimonte.com

Anastas Shkurti brings two decades of experience negotiating and closing complex transactions, including commercial loan documentation, loan modifications, forbearance agreements, asset-based lending, intercreditor agreements, workouts, corporate mergers and acquisitions, asset and stock buys and sales, factoring, equipment leases and sales, franchise agreements, IT service agreements, master agreements, employment agreements, and organizing new businesses. Anastas also possesses unique insight in all aspects of commercial real estate construction, bidding, development, land use, leasing, management, rezoning, and municipal law. His litigation experience focuses on complex data analysis, damage calculations, forecasts, modeling, projections, and expert witness preparation. By offering in-house services to several national companies, Anastas has developed a broad perspective for evaluating legal consequences of all aspects of business operations. Anastas also leverages his research and technological background to offer clients cost efficient legal services of uncompromising quality.
